Enjoy the benefits of **FREE** electronic filing of your Shipper's Export Declarations (SEDs) via the Internet using AESDirect or its windows based desktop PC component, AESPcLink.

These workshops include a quick overview of the Automated Export System and AESDirect *followed by* hands-on training and filing of sample SEDs via AESPcLink. **(You may bring samples of SEDs filed by your company for practice.)** We conclude the workshops with the Certification Quiz that gives a company full certification.

Upon certification, you begin filing your SEDs electronically through AESDirect.

We prefer participants be familiar with using the PC and an Internet browser and be pre-registered and have an AESDirect user name and password prior to attending the training session.
